Work Experience

Web Designer, Freelance, Portland, OR,
May 2023-Present

- Worked with clients to create accessible, responsive website designs that accurately reflect their brand's identity.
- Managed multiple web projects simultaneously while consistently meeting deadlines early.
- Increased contact form submissions for one client by up to 30% per month.

Web Designer and Developer, Civitas Collective, Remote, April 2024-November 2024

- Created wireframes, prototypes, and mockups in Figma.
- Presented designs to board members and iterated designs based on feedback.
- Developed content pages and an e-commerce interface using WordPress and Elementor.
- Reached 14k unique site visitors per month and maintained traffic over a period of six months.

Production Manager, Imago Theater, Portland, OR, February 2021-December 2022

- Facilitated communication between production departments, setting and enforcing deadlines to bring the full production together on time.
- Transitioned between production roles, stepping in as lighting supervisor, dance director, costume designer, and stage hand as needed.
- Managed the production of five traveling shows and three original works during the 2023 season.

Owner and Lead Designer, Alien Adornments, Portland, OR, June 2021-January 2023

- Created a brand design and marketing materials to sell trendy, handmade jewelry.
- Ran and managed e-commerce listings and SEO rankings.
- Made over 200 sales and achieved star seller four months in a row.
